

FERNANDO PEDERNA

AI Engineer | Machine Learning | Data Science

📍 Córdoba, Argentina 📞 +54 9 3543 610393 ✉ fernando.peder.ia@gmail.com [LinkedIn](#) | [GitHub](#) / [Portfolio](#)

PROFILE

AI Engineer focused on MLOps, RAG, and data governance. 3rd place in Microsoft Innovation Challenge 2026.

TOOLSET

Python · SQL · Power BI
Tableau · Scikit-learn
Azure OpenAI · AI Search
AI Language · AI Vision
AI Speech · Document Intel.
AI Content Safety
Azure Bot / Copilot Studio

COMPETENCIES

- RAG Solutions Design
- Prompt Engineering
- Knowledge Mining
- NLP & Computer Vision
- Conversational Agents
- Responsible AI
- Azure AI Services Mgmt

EDUCATION

Master's in Innovation & Digital Transformation
Universitat Oberta de Catalunya
2023 – 2025

B.A. in International Trade
Univ. Nacional de Quilmes
2018 – 2022

CERTIFICATIONS

- Project Management – Google (2023)
- Product Manager – CoderHouse (2023)
